VERONA CUP 2023 FINAL COUNTDOWN

Dear participants at the Verona Cup!

The countdown is in full swing, there is now only one week until the "Football Festival at Lake Garda" kicks off. We will have more than 4,000 participants at the Verona Cup this year, which will thus be the biggest edition of the tournament to date. So we are very much looking forward to the "party" - hope the same is the case for you?

We are sending a large staff from Denmark of approx. 70 people and together with our Italian friends, we will be a team of approx. 100 people to service you during the tournament. Everyone participates with the aim of giving you the best possible experience in connection with the tournament. On the football pitches, you provide the entertainment yourself, but when it comes to having fun and relaxing, this year we have once again spent a lot of resources to make the Verona Cup a real football party. Here is some of the many things that will happen at Verona Cup 2023:

eSPORT TOURNAMENT

Again this year we have the big Verona eSports Cup at Bella Italia. A huge success in previous years - with many participants and even more spectators, who create a super good atmosphere during the FIFA tournament ..2 against 2.

It is possible to register 1 team consisting of 2 people per registered football teams. I.e. if the club has both an U.15 and an U.19 team in the tournament, then 2 teams can be registered.

We provide gaming consoles, monitors and controllers. But you are welcome to bring your own controller if you feel more comfortable with it.
